Dear Sir:

BY:

I would like to say thank you to the whole crew that worked on the oil leak at my home. Every one of the men came on time and worked hard all day. They did a great job. Todd explained things when I had a question. Eric Davis kept me updated on everything also. When the job was completed Dennis Bodner came over to ask me if I was satisfied with the work, of course I was.

I will recommend your company to anyone who needs that type of work.

I am sending a copy of this letter to Louis Alia of Allstate who recommended your company to me

Sincerely  
Ann Swinstock
